## HISTORY OF THE COLLEGE

---

At the meeting of the General Synod of the Reformed Presbyterian Church in North America, in Duaneburgh, N. Y., May 24, 1879, the Rev. J. F. Morton, D. D., presented a paper which inaugurated the movement in the church for a collegiate institution. This paper was unanimously adopted and a committee, of which Dr. Morton was chairman, was appointed to carry out the project. At a later meeting of the Synod, Rev. John Alford, D. D., of Beaver Falls, Pa., was appointed financial agent and succeeded in raising over \$10,000 in subscriptions and cash throughout the church during the following year. At the meeting of the Synod in Cincinnati, Ohio, the Rev. David Steele, D. D., on May 26, 1885, offered a resolution that the college be started as soon as possible and located in or near Cedarville, Ohio. This motion was passed unanimously. The following committee was appointed to secure the site: Rev. J. F. Morton, D. D., Messrs. Thomas Gibson, R. Park, Hugh McCollum, Jr., and H. H. McMillan. On January 20, 1887, the committee became incorporated under the laws of Ohio and on the 26th day of January, 1887, they obtained a charter for "The Cedarville College." On March 11, 1887, the incorporators met in Cedarville and elected themselves the first Board of Trustees of Cedarville College, with Mr. Thomas Gibson, president, who served in that capacity until his death. At the meeting of Synod in May, 1887, the following persons were added to this first Board of Trustees: Robert Abbott, James Patterson, Alexander Kerr, and Ephraim Young. The enterprise then slumbered until the meeting of Synod in Cedarville in 1892, when the Ohio Presbytery reported that William Gibson, Esq., of Cincinnati, an elder in the Presbyterian Church of that city, had left \$25,000 for the college in memory of his father, Peter Gibson, an elder of the Reformed Presbyterian congregation of Cincinnati for a long period of years. Again the Board of Trustees took up the work and at the meeting of Synod in Coulterville, Ill., on May 18, 1894, the college was launched out with Rev. David McKinney, D. D., as president, who served in that capacity for twenty-one

## HISTORY OF THE COLLEGE

years. Rev. J. F. Morton, D. D., was chosen vice-president. Rev. W. R. McChesney, D. D., was chosen the first professor, beginning his work for the college, July 10, 1894. Upon the resignation of Dr. McKinney in 1915, Dr. McChesney was elected president. The first faculty were Rev. David McKinney, D. D., president; Rev. James F. Morton, D. D., vice-president and Professor of English Bible; W. Renwick McChesney, A. M., secretary and Professor of Ancient Languages; Carrie Blair, Professor of Mathematics; Frank H. Dean, A. B., Professor of English and Science, and Belle Beazell, Professor of Music.

On September 19, 1894, the College was opened for instruction to thirty-six students in the fine old mansion formerly owned by Rev. Hugh McMillan, D. D., the first pastor of the Main Street Reformed Presbyterian congregation of Cedarville. In this place three-quarters of a century ago, Dr. McMillan taught an academy, from which graduated a number of illustrious men. These quarters proving too hampered for the work, the new building was erected and entered the following year. The cornerstone of this building was laid with impressive services on June 25, 1895, and the dedication took place during the meeting of Synod in 1896.

More than two hundred young men and women have graduated from the College and are successfully following honorable callings in various parts of the world. Cedarville College has a wide and favorable reputation for thorough standard work. It has been honored by such distinguished men as W. J. Alford, Esq., Andrew Carnegie and Ambassador White-law Reid among its benefactors.

Cedarville College has a productive endowment of \$103,000. In 1913, the Reformed Presbyterian Theological Seminary of Philadelphia was added to its departments of instruction. This institution has an endowment fund of \$36,455 and a students' aid fund of \$38,953.48. The College and Seminary combined have endowments totaling \$178,408.48. Within a few years the College will receive \$25,000 additional from wills. Just now there is a campaign on to raise \$25,000 for our English Bible chair. A considerable amount has been contributed to this sum. The outlook for the future of the College is bright. Much more could be written on the history of the twenty-five years just closing. Suffice it for us to appeal to alumni and friends to join with us in making the coming years, by our contributions, prayers, and efforts the best yet.

## PURPOSE AND LOCATION

### PURPOSE OF THE COLLEGE

---

The purpose of Cedarville College is to secure a high modern form of literary and scientific education under careful supervision and Christian influences, without restriction of personal opinion, and with open door and equal privileges to both sexes and to all classes and conditions of men.

---

### LOCATION

---

Cedarville College is situated in Cedarville, Greene County, Ohio, which is located on the Little Miami Division of the Pittsburgh, Cincinnati, Chicago & St. Louis Railway, forty-seven miles southwest of Columbus; seventy-three miles northeast of Cincinnati; twelve miles south of Springfield, and eight miles northeast of Xenia. It is in the northern part of the Miami Valley, and has one of the most beautiful and healthful locations in Ohio. The country lying about Cedarville is level, fertile, improved, and in every way suited for a pleasant residence. Any who have children to educate, and wish to be with them during their college course, can find no finer region and no better society than in this community.

# BUILDINGS AND EQUIPMENT

---

## College Hall

College Hall is the main building of the institution. It is a handsome edifice of pressed brick and cut stone. On the first floor are the chapel, class rooms and waiting rooms. On the second floor are recitation rooms and the chemical and biological laboratories. Two large literary society halls occupy the entire third floor. Standing in the center of the beautiful campus, on the highest site in Cedarville, the building presents an attractive and imposing appearance.

## The Alford Memorial Gymnasium

In 1902, Mr. W. J. Alford presented to the College the church building, formerly the property of the Reformed Presbyterian congregation (General Synod). This building, given by the donor as a memorial to his parents, the late Rev. John Alford, D. D., and Mrs. Mary B. Alford, has been named the "Alford Memorial Gymnasium." It is seventy feet long and fifty feet wide, provided with dressing rooms and shower baths, and furnishes an excellent place for a gymnasium.

## The Carnegie Library

In December, 1905, Mr. Andrew Carnegie donated \$12,000 to erect a library building for Cedarville College on condition that a like amount be added to the College endowment fund. This condition was fully met, and the building of brick and cut stone was completed and entered during the summer of 1908. The building is seventy-two feet in length and forty-five feet in width, and contains all the modern library equipment with a capacity for 17,000 volumes. The village and College libraries have been combined, and new volumes are being added as needed. The leading periodicals are kept on the reading tables.

# INCOME AND ENDOWMENT

---

## Income

The income of Cedarville College consists of the interest from its endowment, voluntary subscriptions and offerings from friends, contributions from the different congregations under the care of the General Synod of the Reformed Presbyterian Church, and the tuition fees of the students.

---

## Endowment

---

### PETER GIBSON FUND

Cedarville College practically had its origin in the liberality of William Gibson, of Cincinnati, who bequeathed \$25,000 for the endowment fund of a College to be erected at Cedarville, Ohio, in memory of his father, Peter Gibson, for many years a prominent member and ruling elder of the First Reformed Presbyterian congregation of Cincinnati. By compromise with the heirs, the trustees accepted \$20,000 in full settlement.

### THOMAS GIBSON FUND

Thomas Gibson, an elder in the First Reformed Presbyterian congregation of Cincinnati and president of the Board of Trustees of Cedarville College, left a bequest of \$5,000, which came into the possession of the College in 1910.

### ROBERT M. COOPER FUND

By the will of Robert M. Cooper, a ruling elder of the Cedarville Reformed Presbyterian congregation, the College in 1903 came into possession of two-thirds of his estate, which amounted to \$4,000.

### HARPER FUND

Mr. George W. Harper and wife, of Cedarville, generously gave \$5,000 for the founding and maintenance of a chair of

## INCOME AND ENDOWMENT

sociology and economics, provided the friends of the College raised an additional \$5,000. The condition was more than complied with, about \$7,000 being raised.

### JAMES BURNEY LYONS FUND

Mr. John R. Lyons, of Marissa, Illinois, gave \$700 as a memorial to his son, James Burney Lyons, who gave his life as a sacrifice to his country during the Civil War.

### McLEOD MEMORIAL FUND

In the articles of union of the Twelfth Street Reformed Presbyterian Church with the Second Presbyterian Church, New York City, provision was made by the trustees of the united congregation to pay to Cedarville College the interest on \$5,000 on May 14th and November 14th, each year, from McLeod Memorial Fund, in memory of Drs. Alexander McLeod and John Neil McLeod, father and son, whose combined pastorates of the congregation covered the period from 1801 to 1874.

The Presbytery of New York and Vermont also donated \$3,200 to the College to the same revered memory.

### PITTSBURGH FUND

The First Reformed Presbyterian congregation of Pittsburgh, now the Tabernacle Presbyterian Church, gave \$3,000 to the general endowment fund in 1906.

### SAMUEL PRICE FUND

The late Samuel Price, of Tarentum, Pennsylvania, bequeathed one-fourth of his estate to the College, which amount, \$3,000, became completely available in 1914.

### MARGARET A. HUNTER FUND

The late Margaret A. Hunter, of Philadelphia, sister of the late William J. McAllister, the contesting of whose will prevented the College from receiving his bequest of \$2,000, bequeathed \$500, which became available in 1912.

### PHILADELPHIA FUND

In the settlement of the affairs of the Second Reformed Presbyterian congregation, of Philadelphia, the sum of \$5,000 was appropriated to the College by a member of the congregation.

## **INCOME AND ENDOWMENT**

### **GEORGE W. BROWNELL FUND**

The late Rev. George W. Brownell, pastor of the Reformed Presbyterian congregation of West Middlesex, Pa., bequeathed to the College a portion of his estate, which amount, \$200, became available in 1913.

### **ALUMNI FUND**

At the annual meeting of the Alumni Association in 1910, it was decided to raise a fund to be known as "The Alumni Endowment Fund." No limit was placed upon the amount of money to be raised, but it was hoped that eventually enough would be contributed to endow a chair in the College. This fund now amounts to \$1,000, and much more has been pledged.

### **DARLINGTON FUND**

The Reformed Presbyterian congregation of Darlington, Pa., has contributed to the general endowment fund the sum of \$1,800.

### **ANONYMOUS FUND**

A generous friend of the College, who declines to reveal his identity, during the second year of President McChesney's administration, contributed the sum of \$5,000 to the endowment fund.

### **JEMIMA PAYNE FUND**

In 1917, Mr. James Adam, of New York City, donated \$2,000 to the general endowment fund in memory of his aunt, Jemima Payne.

### **CLARKE FUND**

Mrs. Mary Ann Clarke, of West Middlesex, Pa., in 1918 donated \$500 to the endowment fund in the form of a Liberty Bond.

### **MATILDA McCOLLUM FUND**

Miss Matilda McCollum, a member of the Cedarville Reformed Presbyterian Church, in 1918 donated \$550 in Liberty Bonds to the endowment fund.

# SOCIAL AND RELIGIOUS LIFE

---

## Lectures and Entertainments

A lecture course is maintained under the control of different Cedarville organizations. The best talent of our country and of foreign lands is secured. The students, therefore, have opportunity to hear the best public speakers and entertainers of the day. In addition, chapel lectures are given from time to time by members of the Faculty and others.

## Athletics

Athletic exercises are encouraged by the Faculty and the Board of Trustees. On the College campus there are tennis courts, baseball and football grounds. Several basketball teams of each sex are organized from year to year. Their games are played in the Alford Memorial Gymnasium.

## Literary Societies

The Philadelphian Society was organized in the fall of 1894, and the Philosophic during the fall of 1895. These societies occupy two large, well-furnished halls in the third story of College Hall. The Orange and Blue Club, organized in 1917, affords additional opportunities for intensive training to those especially interested in literary work.

## Bible Reading Contest

Miss Margaret Belle Rife, of the Class of 1916, annually offers prizes of seven, five and three dollars for a Bible reading contest. Any student in the College may compete for these prizes.

## Declamation and Oratorical Contests

A declamation contest open to all young women and an oratorical contest for young men are held annually. There is a first prize of ten dollars and a second prize of five dollars for each contest.

## RELIGIOUS ADVANTAGES

### The Cedrus

An illustrated college annual, *The Cedrus*, published by the students, crystalizes the activities of the year into permanent literary and pictorial form.

### Religious Advantages

There are four churches in Cedarville: Methodist Episcopal, United Presbyterian, Reformed Presbyterian (Synod) and Reformed Presbyterian (General Synod). Every member of the Faculty and nearly every student in attendance this year is a professed Christian. All students are required to attend the church designated by their parents, who are requested to send their written wishes as to which church their children shall attend. Students of all Christian denominations are welcomed.

### Young Men's Christian Association

The Young Men's Christian Association of Cedarville College was organized March 12, 1907. Like all similar societies, it extends the helping hand physically, intellectually, morally and spiritually to all the young men, thereby aiming to develop the whole man in the truest and best sense.

### Young Women's Christian Association

The Young Woman's Christian Association of Cedarville College was organized in 1909. It maintains all of those characteristic activities which have made this organization such a power for good among the college girls of America.

A student completing the work required in fifteen such periods a week for one semester receives credit for fifteen semester-hours, and if such work is continued for a full year and satisfactorily completed, he receives credit for thirty semester-hours, which is considered full work for one year. 15. A Minor Study (including six semester-hours' work to be elected by the student from a department closely related to the major study, with the advice and consent of the professor at the head of the department in which the major study is taken; no course counted under any other head may be considered a part of the major or minor study);

### Requirements for the Degree of Bachelor of Arts and the State High School Certificate

This curriculum is intended for those who wish a regular collegiate education and in addition thorough preparation for teaching in high schools. Its completion requires residence work to the amount of one hundred and thirty-six credits or semester-hours.

Upon the completion of this course the student receives from Cedarville College a diploma of graduation, and the

## THE ARTS-EDUCATION CURRICULUM

degree of Bachelor of Arts. From the Department of Public Instruction of the State of Ohio he receives, without examination, a provisional certificate entitling him to teach in any high school, or to superintend schools in any school district in the state for a period of four years. After the holder of this provisional certificate has taught upon it successfully for twenty-four months, he is given, also without any examination, a state life high-school certificate.

The enormous demand for high school teachers during the last few years and the consequent increase in salaries has made the teaching profession attractive to those qualified to fill the higher positions. The return to the teaching profession of thousands of trained and experienced teachers who have been engaged in military service and in war work of various sorts will necessitate a high degree of professional training on the part of those who have been filling their places during the war and of those who aspire to compete with them in the future. No teacher who wishes to remain in the profession, to say nothing of those who wish to rise in it, should be content with anything less than a bachelor's degree and a state high school certificate, together with the intellectual and moral attainments that they represent. The Arts-Education Curriculum will lead to the fulfillment of both of these laudable aspirations.

The requirements for the degree of Bachelor of Arts and the state high school certificate in the Arts-Education Curriculum are as follows:

1. Bible (six semester-hours elected from this department);
2. College Rhetoric (six semester-hours);
3. Foreign Language (from twelve to sixteen semester-hours, including two years' work in one language or one year's work in each of two languages, selected from the following: French, German, Latin, Greek, or Spanish);
4. Natural Science (sixteen semester-hours, including two of the following sciences: Biology, Chemistry, or Physics; each science being pursued throughout an entire collegiate year);
5. English (six semester-hours, in addition to College Rhetoric, elected from this department);
6. History (six semester-hours elected from this department);
7. Oratory (six semester-hours);

18. Science of Education (three semester-hours) ;
19. Observation of Teaching (two semester-hours) ;
20. Practice Teaching (two semester-hours) ;
21. Elective Studies (in addition to those specified above, to an amount sufficient to make a total of one hundred and twenty semester-hours of collegiate work, and including enough professional studies to make a total of thirty semester-hours of professional work ; in this total of thirty hours may be included all work above-mentioned in Education, Psychology, Social Science and Ethics, as well as elective studies in the same subjects) ;
22. Review of High School Studies with Methods of Teaching Them (sixteen semester-hours) ;
23. A thesis of at least two thousand words upon some subject connected with the Department of Education, and meeting with the approval of the professor at the head of that department. The title of the thesis must be submitted not later than the first of February preceding graduation, a copy of the thesis not later than the first of May, and a corrected typewritten copy not later than the Saturday preceding graduation.

It is not necessary that these requirements should be met in the order given. At each step the student should consult his instructors as to which course should be taken next.

### COURSES FOR FRESHMEN IN THE ARTS-EDUCATION CURRICULUM

Freshmen in this course should take the History of Education and School Organization and School Law. They should also enter one of the classes in the Review of High School

## STATE RECOGNITION AND CREDIT

Studies. Their other courses should be selected, with the advice and assistance of members of the faculty, from the following list: Bible, Rhetoric, General Chemistry, General Biology, Latin, Greek, German, French, Spanish.

### LIMIT OF WORK

No student pursuing the Arts-Education Curriculum will be permitted to take work for credit towards the degree of Bachelor of Arts amounting to more than eighteen hours per week per semester, and no student, the average of whose grades for the preceding semester is less than ninety per cent will be allowed to take work for such credit amounting to more than fifteen hours per week per semester. But, in addition to this, students in this curriculum may take two or more semester-hours' work in Review of High School Studies. Such additional work is required for the State High School Certificate. It will not be credited towards the degrees of Bachelor or Master of Arts, but will be counted towards the degree of Bachelor of Science in Education.

### TIME REQUIRED

Ordinarily the completion of the requirements for the degree of Bachelor of Arts and the State High School Certificate in the Arts-Education Curriculum takes four years.

---

### Requirements for the Degree of Bachelor of Science in Education

If the student adds to the above requirements fourteen semester-hours of professional work in Psychology, Sociology, or Education, thus, with the sixteen semester-hours of High School Methods, adding a year's work of thirty semester-hours to the one hundred and twenty semester-hours required for the degree of Bachelor of Arts, he may receive also the degree of Bachelor of Science in Education.

---

### State Recognition and Credit

Cedarville College was recognized as a regular institution for the professional training of teachers on April 16, 1915. All of the requirements of the school laws in regard to the training of high school teachers are fully complied with, and full normal credit can be obtained for all work in this curriculum.

### GENERAL INFORMATION IN REGARD TO THE COLLEGIATE DEPARTMENT

#### Limit of Summer School Work

No student will be given collegiate credit for more than ten semester-hours of work done in any one session of a summer school. The limit for a six-weeks' session is eight semester-hours.

## RATES OF TUITION AND EXPENSES

### Commencement Honors

Students who throughout the four years of their college course maintain an average grade of ninety per cent or more in all studies will be graduated *cum laude*, "with praise;" those who maintain a grade of ninety-five per cent or more will be graduated *magna cum laude*, "with great praise;" and those who maintain an average grade of ninety-seven per cent or over will be graduated *summa cum laude*, "with the highest praise."

### Rates of Tuition

The fee for instruction in the Collegiate Department is twenty dollars per semester, payable upon the opening day. This includes a tuition fee of fifteen dollars and a contingent fee of five dollars. The laboratory fees in chemistry, biology and physics are five dollars per semester. The breakage deposit in chemistry is five dollars per semester. After breakage has been deducted, the remainder is returned.

The graduation and diploma fee, payable with the tuition fee at the beginning of the second semester of the last year of the course, is fifteen dollars to those taking the degree of Bachelor of Arts, or Bachelor of Science.

No rebate of laboratory or contingent fees will be granted.

In case a student is compelled by sickness or other unavoidable circumstances to leave the College before the middle of the semester, a rebate of one-half of the tuition fee will be granted. Otherwise no rebate will be granted.

### Expenses

Expenses at Cedarville are probably as low as can be found anywhere in the United States, and are much lower than in many places. Expenses for clothing, laundry and sundries vary greatly with the individual, who can, therefore, better estimate them for himself. College fees, boarding, room rent, and cost of text-books vary with the locality. Consequently, the following estimates are based upon these items. In the years in which science courses are taken, ten dollars must be added for laboratory fees, and from three to ten dollars for breakage in courses in chemistry. Only two courses in science are required, and chemistry need not be one of them. Laboratory fees are also, therefore, practically individual expenses.

### Opportunities for Self-Help

Arrangements have been made by which a limited number of students from a distance, properly recommended, may be given work sufficient to defray at least a part of their expenses. Scholarships are awarded to high schools in this and neighboring states. Assistance is given to students in finding work. It is believed that no young man or woman, possessed of good health, energy, and determination, need be deprived of the advantages of a college education merely for the lack of means wherewith to defray expenses. Students who are working their way through college are honored by all at Cedarville College, and are given every encouragement and assistance in their laudable efforts to develop their powers and to fit themselves for higher spheres of usefulness.

### College Employment Bureau

In 1914, a College Employment Bureau was established for the benefit of Cedarville graduates and students. An effort is made to find for every student, former student, or alumnus who desires the services of the Bureau, a good position in which he can render efficient service and at the same time earn a good livelihood. So successful has the Bureau been that every senior who wishes to teach is nearly always employed in a good position before commencement. No one need fear that after a course taken at Cedarville College his services will not be in demand, or that he will have any difficulty in finding employment for his developed powers.

## THE GRADUATE EDUCATION CURRICULUM

### Requirements for the Degree of Master of Arts and the State High School Certificate

College graduates desiring to complete the requirements for a State High School Provisional Certificate and at the same time have the courses taken for this purpose count towards the degree of Master of Arts, can do so by merely complying with the conditions upon which that degree is granted in the regular Graduate Course. These requirements are: A major study of six semester-hours; a minor study of six semester-hours; and electives to the amount of twelve semester-hours; a thesis counting six semester-hours. The student can take some of the subjects required by the law for his certificate as his major study, others for his minor study, and still others for his electives, and in this way get both his degree and the state certificate. The six semester-hours of credit acquired on account of the thesis cannot be counted towards the requirements of the state certificate, and if the student has not had enough professional work in his under-graduate course to

## THE DEGREE OF BACHELOR OF SCIENCE IN EDUCATION

bring the total up to thirty semester-hours, it will be necessary to take all of the thirty semester-hours required for the degree of Master of Arts in residence work in order to comply with the law which requires thirty semester-hours of professional work for the state certificate. Six semester-hours of residence work will be accepted in lieu of the thesis for the degree of Master of Arts.

### Requirements for the Degree of Bachelor of Science in Education and the State High School Certificate

The requirement for the degree of Bachelor of Science in Education is the completion of thirty hours of strictly professional work in education, including such subjects as: Psychology; Science of Education; History of Education; School Organization and School Law; Observation of Teaching; Practice Teaching; Methods of Teaching; Sociology; Ethics; Philosophy. Twenty-four semester-hours must be in recitation or lecture work. The remaining six may be given for work on a thesis upon some educational topic, or they also may be in recitation or lecture work.

The work taken to complete the requirements for the degree of Bachelor of Science in Education may be made also to cover the requirements of the law for the State High School Certificate. These call for at least thirty semester-hours of professional work, among which must be included two semester-hours each in Psychology, Methods of Teaching, History of Education, Science of Education, School Organization and School Law; and at least twenty-seven actual hours each of the Observation of Teaching and Practice Teaching.

Work on the thesis cannot be counted as a part of the requirements for the State High School Certificate, and if the student requires the full amount of thirty semester-hours of professional work for this certificate, then all of this requirement must be met in regular class-room work.

Credit obtained in the Review of High School Studies with Methods may be counted towards the degree of Bachelor of Science to the amount of sixteen semester-hours. The remaining fourteen semester-hours must also be of a professional character.

### LIMIT OF WORK

The limit of work in the Graduate Education Curriculum is fifteen hours a week per semester, except that in addition to

## **RATES OF TUITION**

this amount the student may take two or more semester-hours' work in the Review of High School Studies with Methods.

### **TIME REQUIRED**

The thirty semester-hours of credit required for the degrees of Master of Arts or of Bachelor of Science in Education in the Graduate Education Curriculum can ordinarily be completed in one academic year.

## **RATES OF TUITION**

The fee for instruction in the Graduate Department is twenty dollars per semester, payable upon the opening day. This includes a tuition fee of fifteen dollars and a contingent fee of five dollars. The graduation fee, payable with the tuition fee at the beginning of the second semester of the last year of the course, is ten dollars. For other expenses see pages 29 and 30.

# NORMAL DEPARTMENT

---

## NORMAL CURRICULA FOR HIGH SCHOOL TEACHERS

---

Two curricula for the professional training of high school teachers have already been described:

1. The Arts-Education Curriculum, leading to the degree of Bachelor of Arts and the State Provisional High School Certificate (described under the Collegiate Department);

### Requirements for Admission

The requirement for admission to the Elementary Teachers' Curriculum is graduation from a high school of the first grade or its equivalent. Under exceptional circumstances students not able to meet this requirement may be admitted for special work.

### Purpose of the Curriculum

The purpose of the Elementary Teachers' Curriculum is to provide a year of professional training to teachers or prospective teachers in the elementary schools. It aims to give scientific instruction in the history and principles of education and methods of teaching and also to equip the prospective teacher for her work by a thorough review of the common branches, together with observation and practice teaching. Incidentally the curriculum is also intended to prepare the student for teachers' examinations.

## Requirements for Admission

Applicants for admission to the first year of the Preparatory Course must have completed work in the common branches of study equivalent to that usually completed in the first eight years of the public school, and will be examined in reading, geography, United States history, physiology, penmanship, drawing, orthography, arithmetic and English grammar.

A Patterson certificate or satisfactory grades from public schools will excuse an applicant from examination in all subjects, except English grammar. In English grammar, an examination based on Reed and Kellogg's Higher English, must be taken by all applicants for admission to the Preparatory Department. Those failing to obtain a grade of sixty-five per cent in this examination will be admitted, but required to take a review course in English grammar throughout the first year.

Applicants for admission to any class above the first preparatory class shall, in addition to meeting the above requirements for admission, either present satisfactory grades or certificates, or pass examinations in all subjects already pursued by the class which they desire to enter.

## Requirements for Graduation

Upon the completion of the following courses of study a diploma of graduation will be conferred. At the beginning of the third year the student elects either French, Spanish, German, or Greek, which he pursues throughout the remainder of the course.

Each candidate for a diploma must also write and publicly deliver an oration, of at least eight hundred words, upon some subject approved by the Faculty. The subject must be submitted on or before February the first preceding graduation, and a copy of the oration on or before May the first.

# CEDARVILLE THEOLOGICAL SEMINARY

## HISTORICAL SKETCH

The Theological Seminary of the Reformed Presbyterian Church (General Synod) of North America is one of the oldest institutions for the professional training of young men for the gospel ministry in the United States.

At a meeting of the Reformed Presbytery of North America, held in John Thompson's home, Conococheague, in October, 1807, a committee, consisting of the Reverends Gibson, Wylie, and McLeod, was appointed to inquire into the necessity for establishing a theological seminary and, if such necessity existed, to outline a plan for the inspection of the Presbytery. On the following day the committee reported the need of such an institution and presented an outline of the plan. The Presbytery considered the articles of the constitution and, with some amendments, adopted them.

The Seminary was to be located in Philadelphia. The Rev. Samuel B. Wylie, of Philadelphia, was unanimously elected Professor of Theology, and Revs. Gibson, Black, and McLeod, superintendents for the first year of its organization. The superintendents met with the Professor of Theology in Philadelphia in May, 1809, to organize the Seminary and make all necessary arrangements. No students had presented themselves. A committee, appointed for this purpose, reported that the amended draft of the constitution had not been published, and that they had not made an appeal to the church in general for pecuniary aid. The suggestion was made that the Seminary be removed from Philadelphia to Walkill, but the opposition of Mr. Wylie was so decided that it was thought best to continue its seat in Philadelphia. The Board of Superintendents was instructed to meet with the professor in Philadelphia, in 1810, and to exert themselves in behalf of the institution. Mr. Gibson having declined to serve as a superintendent, Rev. Gilbert McMaster was appointed in his stead, and the Seminary was organized May 25, 1810.

Rev. S. B. Wylie, D. D., was its first, and for many years its only professor. The number of students was comparatively

## HISTORY OF THE THEOLOGICAL SEMINARY

large, but the Seminary was not sustained by the Church with the interest which should have been manifested. It was therefore suspended from 1817 until 1823, but its usefulness being generally acknowledged, it was revived in 1823, and its former professor was reappointed to take charge of it. The controversies that agitated the Church and finally resulted in the division of 1833, affected the Seminary so injuriously that it was again suspended in 1827. From 1817 until 1823, and again from 1827 until 1844, the training of theological students was under the care of the several presbyteries. Dr. S. B. Wylie trained more than any other minister. Doctor Black instructed many in the West, and Dr. James R. Wilson several in the East. Others studied under the direction of their pastors. In 1844 the Seminary was reorganized with Dr. S. B. Wylie as Professor of Theology, and Dr. Samuel W. Crawford as Adjunct Professor. The course of instruction was to occupy four successive annual sessions, each session to be of four months' duration, from the first of December to the first of April.

For a number of years Dr. S. B. Wylie was also assisted by his son, the Rev. Theodorus W. J. Wylie, as Junior Professor.

In 1850 a second theological seminary was organized at Xenia, Ohio, with Dr. Gilbert McMaster as Professor of Theology, and the Rev. Hugh McMillan as Assistant Professor.

When the Wylies, father and son, resigned from the Eastern Seminary in 1851, it was removed to New York City, and Dr. John N. McLeod was elected Professor of Theology.

In 1854, General Synod decided to unite the Eastern and Western Seminaries and locate the institution at Philadelphia. The Rev. John N. McLeod, D. D., was elected Professor of Systematic and Practical Theology, and Rev. T. W. J. Wylie was chosen Professor of Biblical Literature.

In 1863 the Rev. David Steele, D. D., was elected Professor of Hebrew, Greek and Practical Theology. In 1868, Doctor Wylie, with his Presbytery, seceded from the General Synod of the Reformed Presbyterian Church, and his chair was declared vacant. The Rev. David Steele, D. D., was elected Professor of Biblical Literature in 1869, and upon the death of Doctor McLeod in 1874, was chosen Professor of Theology. The chair of Biblical Literature was filled temporarily by Rev. A. Thompson, Rev. W. J. McDowell and Rev. Matthew Gailey; and in 1876 the Rev. Matthew Gailey was elected to the vacancy.

In 1890 the Rev. James Y. Boice, D. D., was elected Pro-

fessor of Homiletics, Church History and Pastoral Theology. Upon the death of the Rev. Matthew Gailey in 1902, the Rev. James Steele took up the work of his chair, and in 1903 was formally elected Professor of Hebrew and Church History.

In 1906, Dr. David Steele died, and the Rev. James Steele resigned. The Rev. W. J. Smiley was in that year elected Professor of Hebrew and Church History, while Dr. Boice taught Theology, Homiletics and Greek until the removal of the Seminary from Philadelphia in 1913, when he retired from the active work of the professorship and was elected Professor Emeritus, retaining this honor until his death in 1916.

In 1913, the Seminary was removed to Cedarville, Ohio, to be operated in connection with Cedarville College. The following faculty was appointed: Rev. David McKinney, D. D., LL.D., Dean and Professor of Systematic and Pastoral Theology; Rev. W. R. McChesney, Ph. D., D. D., Secretary and Professor of New Testament Language and Literature; Prof. F. A. Jurkat, A. M., Professor of Church History and Old Testament Language and Literature; and Rev. Leroy Allen, Ph. B., Professor of Homiletics, Biblical Theology, Archaeology and Sociology.

In 1914, Rev. Dr. David McKinney resigned, and Doctor McChesney was chosen Dean and Professor of Theology in addition to his chair of New Testament. Professor Jurkat was elected Secretary.

Upon the election of Doctor McChesney to the Presidency of Cedarville College, in 1915, the Rev. James L. Chestnut, D. D., was chosen Dean and Professor of Systematic and Pastoral Theology, Doctor McChesney retaining the chair of New Testament, and the other instructors remaining unchanged. Dr. Chestnut died in 1918, and Dr. McChesney was again elected Dean and Professor of Theology.

Thus for over a century, with brief intermissions, the Seminary has continued its work of preparing young men for the gospel ministry. The results of its labors are to be looked for, not merely in the Reformed Presbyterian Church, but in many other denominations that have been enriched in spiritual leadership by those who have gone out from the church of their nativity but have carried with them the fruits of the scholarship and thorough theological training which distinguished the old Seminary.

It is the aim of the present control of the Seminary to maintain all of the best traditions of the past, and yet to afford to

## **COURSES OF STUDY**

---

Three courses of study are offered in the Theological Seminary, as follows:

1. A regular Seminary course of three years, designed to fit young men for the gospel ministry, and leading to a diploma of graduation.

## REGULAR SEMINARY COURSE

2. A combined college and seminary course for the benefit of theological students who have had little or no collegiate training, and designed to fit them for the active work of the gospel ministry, and at the same time to give them something of the more liberal culture and wider usefulness to be gained through a college course. This course requires five years and leads to the degree of Bachelor of Arts from the College, and the diploma of graduation from the Seminary.

3. An advanced course, open only to those who are both college and seminary graduates, largely elective, requiring one year of residence work, and leading to the degree of Bachelor of Divinity.
